## MULTI-FLY THIS WEEKEND!

In case you had forgotten, the Multi-Fly is this weekend. You are needed to help out as you can so that our visitors from across the state and nation can have a good time.

If you can come early, please be at the field by 8:00. The pilots meeting will be at 9:00 with flying to commence after that. If you can only come out for an hour or two, please do that.

A caterer will have lunch for sale between the hours of 11:00 a.m. and 1:00 p.m.

Bring lawn chairs, shelters and Yellow Shirts! to share, if you have them.

## Views From the President by Kent Woods

It's just a few days and the multi-fly will be "what's happening" at the field. We need your help putting this together, no real hard jobs...just a lot of things to do!! Please be at the field by 8:00 am Saturday. Don't forget to wear your yellow shirts and bring lots of smiles. If you can make it Sunday there may be some that will want to stay over just for some open flying.

One more LA race the date would be September 26th, with racing to start at 10 am. Your help will be needed and appreciated!! Don't forget to bring your hardhat or bicycle helmet.

We managed to clean up the place a bit...we sold for junk the odds and ends of the chain link and some of the other metal items...didn't get rich but the grounds look a little better.

## Calendar

- Sept 5&6** Multi-Fly - Fliers and Volunteers needed!
- Sept 8** Regular monthly meeting at the field at 7:00 p.m.
- Sept 26** C.I.A. sport racing 9:00 a.m.
- Oct 10** Static display at EAA Chapter/Ames Airport event
- Oct 13** Regular monthly meeting at the Ames Public Library Community Room at 7:00 p.m.

## In Case of Storms on Meeting Night

If there is a **Thunderstorm Warning** or a **Tornado Watch** in effect covering the meeting start time, the meeting is cancelled! You belong safe at home, not running for your life.

Our next meeting WILL BE AT THE FIELD on Tuesday September 8th at 7 PM. YOU'RE INVITED! Come early and get in some flying. Remember to bring your lawn chair. Bring your project for show and tell.

**Ron Gale in Isreal House**

Ron Gale is presently in Isreal House in Ames. He would still appreciate short visits from club members.

A grenade thrown into a kitchen in France would result in Linoleum Blownapart.

**August Club 40 Race Results**

Fun was had by all. I would like to thank all those who have volunteered for our racing events. Without you it would not be possible. We had 8 pilots that showed up for this racing event.

During the first race Jon Buss and Tom Degroodt had a mid air. Tom ended up buzzing off Jon's tail, and he ended up in the corn. Tom was on his 10<sup>th</sup> lap, and was able to cross the finish line dead stick and take first place for that race. We didn't have any difficulties finding Jon's plane. After further investigation we discovered that Tom's prop cut out about  $\frac{3}{4}$  of an inch of material which was in front of the tail section.

We had some very close races. In one race Tom Degroodt, Rich Cronk and I had several close laps – surprisingly we didn't touch. We all must have been holding our line well.

For this race we kept track of points. Racers acquired points by final position, which was then totaled up at the end of the day. 1<sup>st</sup> – 4 points 2<sup>nd</sup> – 3 points 3<sup>rd</sup> – 2 points 4<sup>th</sup> – 1 point. Every racer raced 5 times. Here were the final totals at the end of the day.

- 17 – Keith Begin
- 16 – Brian Tibben
- 15 – Tom Degroodt
- 14 – Rich Cronk
- 13 – Mark Taylor
- 7 – Dave and Michael Sult tied for 6<sup>th</sup> place
- 0 – Jon Buss

I have to contribute part of my success to Scott Hornstein, as he was my spotter/caller. Who wants dibs on him for next month? Better speak up early!

By Keith Begin

This month's expenses included \$20 to Lowell Mathison for mower gas.

**Executive Council Notes**

The Executive Council met on August 28 at the field. Present were Mark Taylor, Kent Woods, Keith Begin, Lowell Mathison, Denny Goodrich. Preparations for the Multi-Fly were the main topic of conversation. Key people are in place. Odds and ends like fence posts, rope, marking tape, garbage containers, chairs and shelters are needed.

**The Scrap Bin by Denny Goodrich**

Frank Annett had open heart surgery a few weeks ago. He is doing well and was able to participate at the annual fall gathering at Dwayne Fosseen's August 29. Michael Fjelland is literally minding the store for Frank!

I attended that meet, as well as the Modelaires Electric Fly-In on August 30. Sunday was cool and breezy with low clouds which made for a bad sky.

On August 22, I was at the Cedar Rapids Skyhawks' Electric Fly-In. Weather was clear and temperate. You can see a fine group and aerial photos at the following link:

Please, notice how nice the field looks and how well things are picked up. Now, thank Lowell and Kent!

PLEASE! If your name is not on this list and it should be, or if there is inaccurate information, please drop a line (again!) to Denny at [dennyginia@yahoo.com](mailto:dennyginia@yahoo.com) or call
